JOSEPH R. MOSRY, of Payetts.

CAMP BEAURINGARD, Ky., Oct. 27, 1861 Entrons Appeal: I have observed with much pain for some time, a growing impatience of the public throughout the Confederate States at the apparent inactivity of our armies in the field. The press, that best and most unexing exponent of the popular feeling, has become very querulous of late-a sure indication that the makes are ill at case in regard to the movements observed this with much pain, but am forced at the same time to centers that I have not been exempt from the general feeling of dissatisfacexampt from the general recting of dissatisfacting inght. On our arrival as the camp of Col. Methor; and this, in truth, is why I fromble you Intoch, we found to energy, only a few Creeks

A representative of the younger some of the tified at the disappointment. The result of my action has satisfied the nation of the intention of Confederacy, I can ill brook to see the fair fields of Maryland, Kentucky and Missouri, overran these who are engaged with us in one comm by the hireling bands of northern invaders, and cause. My greatest satisfaction was to find that I feel in my immost heart that we have borne there was no armed force under Hopothieyoholo, with such humiliation too long and too patients Pike, the whole question can be amicably setby already. But just here, allow me to say to tled, and our supposed enemies will become our my brother blotspure. I am satisfied that my warm friends and allies. It was asserted that patriotic feelings ought not to be weighed the presence of my regiment scattered the troops against the experience and deep foresight of the grave seniors into whose hamls the destiny of our young republic has been wisely confided. Some six mouths ago I narrowly escaped from a Some six months ago I narrowly escaped from a our night's march, we met the regiment of Col. which time it ceased, having for some hours be- is out in a very indignant article at the block northern yightness, and after many McIntosh, and found an excellent body of warbairbreadth escapes" from the enemy, found myself at the Galt House in Lenisville, Kensucky. Barning with indignation, and full of patriotic zeal, I issued a hold address to the tirens of Kentucky, through the columns of the Courier, appealing to them to fly to arms to best back the vandal bordes who were then preparing to desclute the happy homesteads of ald Kentucky." By this means I became known to one of Posident Davis musty agents. whose field of operations was confined to North chiefly. He sought an introduction, at wen were elessed together for some time. The particulars of the Fredericktown fight in addition to that interview has satisfied me that botapurs do well enough for the field, but cool have reached here. It was a glorious victory on
